DePaul Healthcare

## What Makes Us So Special?

- **Family owned and operated** by DePaul Healthcare and the DePaul family for over 22 years, owners of 4 assisted living communities in NJ and PA.
- **Exceptional Reputation for care and services** with outstanding reviews and recommendations from families.
- **For our NJ facilities, consistently recognized with “Advanced Standing” certification by NJ Dept. of Health.** This distinction is bestowed only on those few assisted living communities that successfully comply with all state, federal and local regulations and who have consistent excellent annual surveys.
- **Licensed Nurses and caregivers on site 24 hours a day** to meet the needs of all our residents, no matter the time of day or night.
- **On-site medical services** including physician, nurse practitioner, podiatrist, physical/occupational/speech therapy services, lab tests, and X-rays.
- **Spacious large apartments** to accommodate individuals and couples, larger than many other communities in the area.
- **Variety of amenities and services (facility specific)** available including Bistro Café, Activity Room, Library, Fitness/Therapy Center, and Convenience Store.
- **Customized Care Plan** designed specifically for each resident to meet their individual care needs and preferences.
- **Flexible Dining Hours** in large and spacious dining room, with variety of hearty home-cooked meals.
- **Longevity of Staff** with many staff members working in our facilities for over 20 years.
